

# EXPORT THE ANALYTICS

Team ID	PNT2022TMID48705
Project Name	Estimate The Crop Yield Using Data Analytics

## EXPORT THE ANALYTICS :

The screenshot shows the IBM Cognos Analytics web interface. A 'Share' dialog box is open, displaying the 'Export' tab. The dialog box has a title bar with 'Share' and a close button. Below the title bar are three tabs: 'Send', 'Link', and 'Export'. The 'Export' tab is selected and highlighted with a blue border. The main content area of the dialog box is titled 'Export to PDF' and contains the following text: 'If you are using a Windows operating system, ensure that you installed a PDF driver. For more information about exporting to PDF, [click here](#).' Below this text are two dropdown menus: 'Page size' set to 'Letter' and 'Orientation' set to 'Portrait'. There is also a checkbox labeled 'Include filters' which is currently unchecked. At the bottom of the dialog box are two buttons: 'Cancel' and 'Export'. The background of the screenshot shows the IBM Cognos Analytics dashboard with a sidebar on the left containing icons for 'All tabs', 'Overview', and 'Top 10 states with Most Area'. The main content area of the dashboard is partially visible, showing a map and some text.
